The Council of Management of THE 'CLAN' PROJECT have taken this decision on the basis that the majority of the Project's membership fall inside HM Governments declared 'At Risk' and 'Vulnerable' categories due to the age demographic of those members currently registered with the Project

THE STANDARD STEAM LOCOMOTIVE COMPANY LIMITED – parent body of THE 'CLAN' PROJECT – has a duty of care to everyone affected by the Company's decisions and we would be failing in our duty if just one person were to become infected by any error or omission on the Company's behalf

We have, therefore, reluctantly taken the decision to cancel this Open Day for the duration of the emergency relating to the Coronavirus epidemic in the best interests of protecting the health & wellbeing of our members, suppliers and other colleagues

We sincerely regret any inconvenience this decision may cause and will advise of a new date for the Open Day in due course.
